TAMPER PROOF MAG-SAFE LOCK

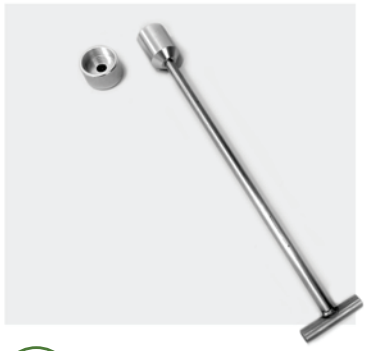
SLOT DRAIN SYSTEMS®

With our specialized secondary strainer, you can ensure access to your system is limited to people you trust. Using a magnetic lock and key system, the strainer can only be removed by individuals with access to our specialized key.

HOW TO USE THE MAG-SAFE FEATURE

1 REMOVE REINFORCED DRAIN LID

2 REMOVE PERFORATED STRAINER BASKET



3 UNCAP MAG-LOCK COVER ON SPECIALIZED TOOL

4 CONNECT MAG-LOCK KEY COVER

5 REMOVE MAG-LOCK WITH TOOL

6 REMOVE SECONDARY STRAINER FOR ACCESS

7 REPLACE STRAINER, AND LOCK. TILT AND PULL TO BREAK MAGNETIC FORCE
